

## Press Release

January 6<sup>th</sup>, 2022

# Successful revision of Type Approval Certificates for AOM flowmeters to comply with IACS Unified Requirements

**Safe and reliable technology is essential to ensure safe and high-performing operation. With regular audits and certification processes, Aquametro Oil & Marine ensures that our clients can always rely on our devices.**

As of January 1<sup>st</sup>, 2022 ship equipment has to comply with **IACS Unified Requirements** E10, Rev. 7. By passing additional tests our flowmeters now comply with these stricter specifications required by IACS. The **DNV** and **LR** Type Approval Certificates for our Aquametro Oil & Marine flowmeters have been revised accordingly.

The Type Approval Certificates are applicable for our flowmeters with type designations CONTOIL<sup>®</sup> VZO/VZOA, CONTOIL<sup>®</sup> VZF II/ VZFA II and DOMINO<sup>®</sup> ARD. These flowmeters are accepted for installation on all DNV and LR class-typed vessels. The Type Approval Certificates are valid until 2025.

## Company Information

**Since 1928, Aquametro Oil & Marine has been among the leading manufacturers and suppliers of measurement, optimization and monitoring solutions for all kinds of fluids on ships, vehicles and industrial applications.**

Our range consists of more than 100 different oil fuel meters and management systems, which have been developed specially for ships, transport vehicles and other heavy machinery in the shipping and industrial sector. We are also considered experts in viscosity measurement and control as well as in measurement, monitoring and management systems for fuel performance and fuel switching units (HFO to MDO and vice versa). For the industrial sector, we offer flowmeters and dosing units for special fluids.

Aquametro Oil & Marine operates from its headquarters in Therwil/Switzerland and Rostock/Germany as well as from Singapore for the Asian market. With further subsidiaries in South Korea and China and representation offices in India and Japan plus a global service network and numerous sales partners around the world, we can offer you seamless, professional and solution-driven support.
